## Warranty

VALIDYNE ENGINEERING CORPORATION warrants equipment of its own manufacture to be free from defects in material and workmanship under normal conditions of use and service.

VALIDYNE will rework or replace any item found to be defective on its return to VALIDYNE within the time specified below:

1. Pressure transducers and pressure transmitters (including transducers supplied as part of digital manometer systems) within two (2) years of ship date of original purchase.
2. Electronics products (transducer indicators, carrier demodulators, plug-in signal conditioners, module cases, etc.) within one (1) year of ship date of original purchase.
3. OEM transducers within one (1) year of ship date of original purchase.  
Buyer is requested to contact VALIDYNE for an RMA number and a customer return form prior to return of equipment under warranty. Shipment to VALIDYNE shall be at Buyer's expense, with return at VALIDYNE's expense (excludes customs duty, taxes, and brokerage fees if applicable). Investigation of NON-VERIFIED problems or malfunctions, whether warranty or not, are subject to a \$160.00 evaluation charge.

The warranty carries no liability, either expressed or implied, beyond our obligation to the original purchaser to rework or replace, at VALIDYNE's option, the unit under the warranty. Prices, specifications, and designs are subject to change without notice. This warranty is void if the product is subjected to misuse, accident, neglect, or improper application or operation. Warranty rework will not be performed for any account past due. Warranty on repair work is 90 days or through the remainder of the original warranty period, whichever is longer.

## Out of Warranty Rework

Units returned to VALIDYNE for rework which are out of warranty will be subject to the following conditions:

1. Buyer is requested to contact VALIDYNE for an RMA number and a customer return form. The return form must be completed and a not-to-exceed purchase order included or a minimum evaluation and/or calibration charge of \$160.00 will apply.
2. Any requirement for a quotation before rework should be communicated to VALIDYNE when the RMA number is requested. A \$160.00 evaluation charge will be invoiced and full repair charges will be provided.
3. If it is determined that unit is uneconomical to repair, Buyer has the option to purchase a new unit. In such an event, the \$160 evaluation charge will be waived.
4. Shipping charges in both directions are the responsibility of the Buyer for all out of warranty returns.
5. Warranty on repair work is 90 days or through the remainder of the original warranty period, whichever is longer.
